Special Notes on Individual Vendors	
<b>Allston Supply</b>	Allston Supply Co Inc. has been working successfully with MHEC for multiple decades to provide clean and healthy buildings within New England by offering our knowledge and healthy discounts to our end users. We have a customer service manager, General Manager, Sales Manager, Operations manager, and a team of dedicated employees who can help assist all MHEC members with any questions or problems they may have.
<b>Apollo Safety Inc</b>	Apollo Safety is a small, veteran owned business in Fall River, MA. We have 20 employees and provide gas detection/monitoring/calibration services as well as supply first responders critical PPE and sanitizing products. We take orders via email, web & phone. We have a well trained customer service staff who is happy to help during the hours of 7:30AM- 5:30PM. We are a distributor of sanitizing products and PPE.

<b>Banner Systems Inc Bay State Janitorial</b>	A third-generation family-owned business located in Brockton, Massachusetts, Banner Systems has strived to become a leader of janitorial and sanitary maintenance distribution in New England. Over the years, we have created strong relationships with industry leaders, such as Spartan Chemical Company for over 35 years, and GOJO Industries, the makers of Purell, for over 50 years. The longevity of our relationships with vendors has translated into meaningful relationships with customers as well. Open Monday through Friday 8:30-4:30, committed to bringing customers the highest quality products on the market. We provide the friendly service, knowledge, and experience that our competitors simply cannot match.
<b>Butler Dearden Paper Service Inc, Division of Imperial Dade</b>	Butler-Dearden, a division of Imperial Dade has been in existence since 1882. We are a wholesale distributor of janitorial supplies, packaging supplies, food service disposables and safety supplies. We are located in Boylston, MA and operate as a branch of Imperial Dade. Imperial Dade also has branches that will assist in fulfilling this contract in Franklin, MA and Manchester, NH, thus allowing us to cover all of the New England states. The company has nationwide footprint with 2900 employees and \$1.74 Billion in sales.
<b>C &amp; C Janitorial Supplies Inc</b>	<p>C &amp; C Janitorial Supplies Inc. is a full service facility supply company headquartered in Newington, CT. For over 25 Years, C &amp; C has focused on supplying the Hospitality, Education, Manufacturing, Property Management, and Health Care markets. We offer a full line of janitorial products &amp; manufacturers.</p> <p>C &amp; C Janitorial Supplies is a Woman Owned/Minority Business started by Martin and Grace Café in 1990. Prior to that date, the company began as a full service cleaning company. The cleaning company culture is in our DNA and allows us to tailor our solutions to the end users. Our experience in both the cleaning category and the distribution category gives us a unique perspective to provide guidance to our customers.</p> <p>C &amp; C Janitorial Supplies is an active partner in our customer's diversity programs. We have an active and diverse leadership team. C &amp; C is a State of Connecticut Small/Minority Business Enterprise. We are a DBE Certified business in Connecticut and Massachusetts. We are also an active member of the Greater New England Minority Supplier Development Council, WBENC and a Member of the National Minority Supplier Development Council. Our owner, Grace Café, is an active participant in local and national diversity conferences.</p>
<b>Clean Cut Solutions</b>	Clean Cut Solutions is an industrial maintenance supply company specializing in green cleaning chemicals, equipment and disposables. The ownership team has a combined 60 years of experience in the Jan/san industry. Clean Cut is a full service distributor that has been a MHEC supplier for over 10 years. Authorized distributor of many leading chemical and equipment lines, including our own revolutionary water soluble chemical packet line.
<b>Clean Green Solutions LLC</b>	Clean Green Solutions was established in 2008, as the only "All Green" cleaning products company in New England. We have 3 founding principles: Provide facilities with true green cleaning products, that are effective at a comparable or lessor cost than traditional or other green products. In 2011, we expanded to include commercial green laundry products for hotels, nursing homes, hospitals, colleges, gyms etc. The Green Laundry Program saves money by significantly reducing linen replacement all while providing a softer linen.
<b>Coast Maintenance Supply Co, Inc.</b>	Coast Maintenance Supply Co. is a 2nd generation family owned business, started in 1993. We have a great sales team and customer service team that can help with all of your Jan/san questions. We pride ourselves on our integrity, expertise and great value. Coast is a distributor, located on the North Shore of Boston with 1 location. Members can expect delivery in 1 to 2 days and be able to order all of our products online.
<b>Conlon Products Inc</b>	Conlon Products is a family owned distribution company. We have a great group of dedicated individuals that are all centered around a central goal of customer service and satisfaction. We are an authorized dealer for many product lines, and are constantly expanding our lines based on customer needs.

<b>Custom Chemical Co Inc</b>	<p>Custom Chemical and Cleaning Company was established in 1981 by Donald Urquhart after spending 10 years working in sales for a maintenance and safety supply distributor. Through the years his family owned company with his son Roderick by his side since 1988 has grown into a well-established family owned company. Custom Chemical has survived through the years with pride and knowledge of the cleaning supply industry and treating all their customers like family. By establishing solid relationships with high end manufacturers we have been able to keep the business moving forward for over 35 years and counting. We are always looking for new ways to improve our business and add new clients and appreciate every opportunity we received.</p>
<b>Emerald Green Building Services</b>	<p>Emerald Green Building Services is a contract commercial Cleaning Company based of Billerica MA and is an LLC registered with Commonwealth of Massachusetts Secretary of State Office and organized on 10-28-2011. We currently services municipalities, school districts, colleges and universities, commercial buildings, health care facilities, Department of Defense Facilities, and entertainment venues within Massachusetts, and colleges in NH. We have 116 employees within 28 buildings sites.</p> <p>Emerald Green Building Services (Emerald) was established to provide premier facility service solutions to clients dedicated to the biotechnology, pharmaceutical and life sciences industries; higher education, entertainment venues and corporations. Our core business is to deliver contracted facilities services to those clients who desire vendor partnerships, strategic alliances and long-term relationships of mutual benefit. Our knowledge and experience within higher education campus environments is the best in the industry.</p> <p>Emerald has entered into an exclusive vendor partnership with The Durkin Company as its single source provider for supplies, equipment, equipment repair, coupled with equipment loans to insure zero downtime. Equally important, The Durkin Company offers its full commitment in its partnership with Emerald by providing support systems, technical resources, and vendor/supplier alliance.</p>
<b>Filter Sales &amp; Service, Inc.</b>	<p>Filter Sales &amp; Service was incorporated in 1953 in Massachusetts and has serviced New England and New York both with air and liquid filtration products and installation Services. We are a family owned small business with over 55 employees with facilities in Burlington, MA, West Haven, CT and Mt. Vernon, NY. We stock over 2 million in products with over 70,000 Square feet of warehouse. We deliver with our own trucks provided damage free and on time deliveries. We are members of NAFA, BOMA, ASHRAE, AFE and ISPE. In contract bid we are providing HEPA air purifiers for the clean air to reduce airborne contaminates which include virus, allergens and molecular. These units are widely used for the reduction of the Coronavirus in educational facilities and other medical facilities.</p>
<b>HD Supply Facilities Maintenance, Ltd.</b>	<p>HD Supply Facilities Maintenance, Ltd (HD Supply) was founded in 1974 as a catalog marketer of maintenance supplies to the apartment industry in San Diego. Then named Maintenance Warehouse, the company grew steadily to be a national supplier of maintenance, repair and operating supplies to the multi-family, lodging, healthcare, commercial and government markets. In March 1997 Maintenance Warehouse was acquired by The Home Depot and operated as a wholly owned subsidiary. Over the years HD Supply grew to include over 40 distribution centers located across the country which allows us to provide next day delivery to 95% of the country. In a deal which closed on August 30, 2007, HD Supply, along with our other sister companies that comprise the HD Supply brand, was sold to three private equity groups. United under the name HD Supply, we operate as a publicly traded, (HDS on the NASDAQ exchange) and wholesale distribution company specializing in products and services aimed primarily at contractors, builders, government entities, industrial businesses and maintenance professionals. We offer over 81,000 MRO products across 22 major product categories. With more than 27,000 items in stock, more than 40 strategically positioned distribution centers and a fleet of more than 800 vehicles, we deliver your MRO supplies on time, on site.</p>

<b>Hillyard, Inc.</b>	<p>Hillyard was founded in 1907 and has been continuously owned and operated as a family owned business. Today, the fifth generation has taken on the leadership of the company. Hillyard is a manufacturer and distributor of Facility Maintenance products, and manufactures its own chemicals and cleaning equipment. In addition to manufacturing our own brand of products we represent major manufacture's within the cleaning and facilities maintenance industry like: Essity Paper, Tennant Equipment, Rubbermaid Commercial Products, Pro-Team, Berry Plastics, Karcher Equipment and many other national and internationally known lines of cleaning products, tools and equipment.</p> <p>Hillyard has designed and manages the best known and most utilized Cleaning software in the industry. Our Cleaning Cost Analysis Program or CCAP has hundreds of millions of square feet of analysis in our database. Hillyard offers our software free of charge if you are purchasing most of your cleaning products and supplies from Hillyard. Today the need for proper cleaning and disinfecting has never been greater. We have 10 individuals that are Certified Infection Control the designation means that each of these individuals are knowledgeable in Infection Control. These designations and certifications are just a part of the Hillyard teams base of knowledge and support that we bring to the MHEC community.</p>
<b>Kellco Products Inc</b>	<p>Kellco Products is a small, family-owned business specializing in the distribution of janitorial supplies and equipment. It was started in 1959 by John Kelly Jr., and has stayed in the Kelly family ever since.</p>
<b>Likarr Maintenance Systems</b>	<p>LIKARR Maintenance Systems is one of the New England Region's leading distributors of facility cleaning and maintenance supplies. Since our inception in 1986, Likarr's unique integrated approach combines products and programs designed to drive the performance, lifespan and value of your physical assets. We take a needs-based approach where the desired outcome is the focus, not a sale. Our growth and competitive edge is due to the hard work and dedication of the LMS team, and our commitment to providing cost effective solutions for our valued clients. LMS maintains strategic relationships with the best manufacturers of equipment and chemicals in the industry. With over 6,000 SKUs, a team of dedicated industry experts, and our tailor-made programs, we are confident that we can find the right solution for your facility.</p>
<b>Mass Correctional Industries</b>	<p>MassCor is a division of the Massachusetts Department of Correction that employs more than 450 inmates in several of the institutions. MassCor emphasizes developing strong work habits and employable skills. By employing inmates in a skilled, paid job, the program helps to reduce recidivism among the prison population. MassCor is self funded and the revenues generated are reinvested, allowing the program to operate without incurring costs which saves taxpayer money.</p>
<b>Milhench Inc DBA Milhench Supply Company</b>	<p>Milhench, Inc. is a distributor of janitorial, paper, and maintenance supplies delivering to all of Southeastern New England. Milhench, Inc's headquarters in New Bedford, MA provides easy access to Boston and points north, Western Massachusetts, the Southcoast of Massachusetts, as well as The Cape and The Islands. We receive shipments from our manufacturers routinely and stock a full warehouse of product. During the day, our customer service team receives and enters product orders from our customers. In the evening, our warehouse crew picks these orders and prepares them for next day delivery. In the mornings, our truck drivers load their trucks and make deliveries throughout the state. In addition, our secondary location in Medford, MA, aids with cross docking and making routine and emergency deliveries. Milhench Metro also provides a showroom and demo area.</p> <p>Milhench, Inc. has two equipment service and repair departments located in both New Bedford and Medford. Our customer service team is available Monday – Friday, 8:00AM – 5:00PM to enter orders, answer questions, provide pricing, or research products. They can be reached by phone, email or fax. Online ordering/e-commerce is also available to our customers. On our e-commerce site at <a href="http://www.milhench.com">www.milhench.com</a> our customers can enter an order, research products, look up pricing, look at sales history and outstanding invoices and payment history. Our customers can build shopping lists, by location, on our website making routine orders simple and easy.</p>

<b>New England Maintenance Depot</b>	New England Maintenance Depot LLC is a small janitorial company located in Springfield, MA. We serve customers in MA, CT, and VT. We have been involved in the MHEC janitorial contract for many years and have been heavily involved with the University of Mass at Amherst to provide cleaning procedures, cleaning systems, cleaning machinery, and the training of hundreds of cleaning professionals. We provide delivery to MA and CT with our own trucks and ship to Vermont via carrier. We specialize in serving colleges, Cities and towns, and schools.
<b>Next-Gen Supply Group, Inc.</b>	Next-Gen Supply Group was formed with the merger of long time JanSan industry companies, MD Stetson Co. and Supreme Industrial Products in 2019, to create one of the largest regional janitorial supplies distributors in the northeast. Next-Gen has a complete offering of cleaning chemicals, sanitary paper products, trash liners, hand care products, cleaning supplies and equipment and offers value added programs including equipment repair, staff training programs and managed inventory programs. Next-Gen operates two state of the art distribution centers in Mansfield, MA and Orange, CT totaling 150,000 square feet.
<b>Noble Supply &amp; Logistics</b>	<p>Founded in 1982 and located in Rockland, MA, Noble Supply &amp; Logistics, is a leading supplier of maintenance, repair, and operations (MRO), industrial, and building supplies as well as safety, office, janitorial/custodial, and construction products. Noble manages supply and logistics and storefront contracts for the Defense Logistics Agency (DLA), the U.S. Air Force, the U.S. Navy, NASPO and others to supply low-cost products, special order capabilities, an EDI-compatible e-commerce system, product expertise, customer service, warehouse management, logistics support, and regular reporting. As a distributor for more than 11,000 manufacturers, we stock over 1,000,000 items in our warehouses and distribution centers.</p> <p>Our customers rely on Noble to deliver a contract-compliant product that meets their schedules. Noble designed our on-line purchasing system, ALPHA, with our customers in mind. This web-based system is rapidly deployable with no transition time: it is immediately accessible by anyone with a computer, a user ID, and an internet connection and requires no additional software. Noble's online ecommerce system, ALPHA, is accessed via <a href="http://www.noble.com">www.noble.com</a>.</p>
<b>One Call Facility Services</b>	One Call Facility Services provides a wide array of building services, to include full janitorial services, building maintenance and repairs. One Call's extensive portfolio of services and vast vendor network allows our customers to reduce facility administration to just one call and one invoice. Companies who want to reduce their costs while maintaining quality and accountability trust One Call to handle their facility needs. Our promise is fast, quality work you can depend on.
<b>Richco Products</b>	Richco Products, Inc. is a janitorial supply distributor that has been in business in Springfield, Massachusetts since 1933. We sell to end-users throughout New England with both inside as well as seasoned on-the-road Sales Reps. Our staff consists of 12 individuals, of which six work in our Springfield office that aid the sales team in ordering, receiving, storing, warehousing, shipping and billing our customers. Included within those 6 employees is a full-time mechanic that services and repairs any type of floor leaning equipment. Also, one of our talented staff members demonstrates and installs equipment as well as trains our end-users and sales staff in safe, modern floor and building cleaning methods. Richco has been a member of the International Sanitary Supply Association (ISSA) since 1948 and one of the founding members of the New England Sanitary Supply Association (NESSA) in the early 1980's.
<b>Simplex Janitorial Supplies</b>	Simplex Janitorial Supplies is a leading distributor of cleaning chemicals, supplies, equipment, paper and plastic products, soap and sanitizer in the New England market. We have been in business for over 40 years and service market segments such as Higher education, K-12, Colleges, Universities, Hospitals, Nursing Homes, Medical Office buildings, Class A buildings, Cities, Towns, Court Systems, various other state agencies and medium to large cleaning contractors. We operate from our state-of-the-art distribution center and equipment repair department in Sharon, Massachusetts, located right off of Rt 95 and convenient to all major highways.

<b>Staples Business Advantage</b>	<p>As a distributor and authorized dealer operating since 1986, Staples knows work is more than a job. It is a sense of purpose and fulfillment that defines us. As The Worklife Fulfillment Company, we have programs that fit every size company, from a one-person office to the Fortune 100 organization, across all industries, including academic institutions, healthcare, state and federal governments. We're here to help with products, services and solutions, combined with our expertise, best-in-class national distribution, customer service, competitive pricing and state-of-the-art e-commerce site.</p> <p>The StaplesAdvantage.com technical support team is available for end user assistance Monday through Friday, 8:00 a.m. to 8:00 p.m. Eastern via phone, email and live chat. The technical support contact information is listed under the Help Center on the home page. Staples' robust Help Center enables customers to search help topics, review common troubleshooting steps, manage their account, track or return orders, view or print packing slips, get pre-paid address labels to recycle ink and toner and more.</p>
<b>State Industrial Products</b>	<p>State Chemical is one of the largest privately-held suppliers to the industrial and institutional maintenance marketplace in North America. State has over 500 Sales and service representatives throughout the United States. A manufacturer with facilities throughout the United States, Canada, and Puerto Rico, State Chemical offers over one thousand products and continues to set the industry standard in product development, service and innovation State Industrial Products produces a full line of cleaners, degreasers, drain care, air care, floor and carpet care, hand and restroom care, water treatment, ware wash, laundry, dilution systems, lubricants, and odor control products, as well as seasonal products and a selection of custodial supplies and equipment. State Industrial has developed a line of Green Seal and Ecologo Certified products that set the standard for effectiveness and environmental responsibilities. Success in managing your work environment begins with great products that work well. Our first priority has always been to bring you the very best products for your maintenance, repair and operations challenges.</p>
<b>The Durkin Company</b>	<p>The Durkin Company's mission is to be the leading distributor of environmentally preferable products as well as educating customers to their advantages. The Durkin Company wants to inspire our customers to be involved and understand the long-lasting impact of harmful chemicals and products. In addition, The Durkin Company strives to design programs that will help to preserve our natural environment.</p> <p>The Durkin Company is in the Merrimack Valley, but effectively services Massachusetts, New Hampshire, and Rhode Island. Most of the Durkin Company customers are in Massachusetts but we have active customers in all New Hampshire and Rhode Island as well. The high quality, new products, product training, and personal attention our customers receive help the Durkin Company retain customers for years. Sales have grown year after year, and The Durkin Company is currently working to expand its product categories in the EPP arena.</p>

MC16-G17
Custodial Cleaning Equipment and Supplies
Contract Duration from 11/01/2020 through 10/31/2023

**Instructions and Information pertaining to the use of this contract**

- 1 All Terms & Conditions contained in the IFB for MC16-G17, the bidder's response to the IFB, and subsequent negotiation shall carry forward into this contract in their entirety without exceptions
- 2 The Supplier will make every effort to identify members and to determine MHEC membership. Suppliers must extend the MHEC pricing and any benefits to all existing members. Any customer who meets the MHEC criteria for membership within the 6 state region such as the following below, will be afforded the opportunity to join the MHEC prior to finalizing the sale.
- 3 All suppliers have signed the MA Standard Contract Form and Commonwealth Terms and Conditions. Copies are available upon request with the MHEC. The supplier agrees that by signing this contract, all contract terms and rights in the Commonwealth of Massachusetts Contract shall inure to the benefit of the MHEC and its members thereby placing the MHEC and its members in the same position as the Commonwealth, including but not limited to the terms and conditions that are found in the Commonwealth Terms and Conditions Form and/or the certifications made by the Contractor by signing the Commonwealth Standard Contract Form.
- 4 Suppliers are required to market products and services to the MHEC membership directly and continue to promote sales volume through quality and superior service.
- 5 Suppliers do not have an exclusive right to sell brands, products, or services to the members and members do not have an obligation to buy from any one Supplier.
- 6 Discount pricing may be offered to a member above and beyond this contract discount structure in the form of: Special Deals, Sales Catalogs or Bulletins, Promotional Sales, and Additional Volume Discounts through special quotes for committed dollar purchases, so long as the same pricing will be offered to all current and future member customers who meet the same criteria for the special pricing.
- 7 Some suppliers awarded to this contract may require that members enter into specific purchase agreements. Due to the specific nature of these agreements, the MHEC has not vetted these agreements. Therefore, members considering entering into these agreement are strongly encouraged to submit these documents to their legal counsel for review. Also, consider adding to purchase agreements: The terms and conditions shall not supersede the MHEC MC16-G17 contract terms and conditions.
- 8 Use of the contract is left to the discretion of each respective member. No guarantee of volume has been made to the supplier.
- 9 Any purchase order issued to a supplier by an MHEC member is an agreement between the individual member and the supplier, not the MHEC organization, or other MHEC Members in part or total.
- 10 All sales to current and future members of MHEC are includible for sales volume reporting and Customer Service Fees (CSF) as detailed in the IFB MC16-G17.
- 11 It is the Supplier's responsibility to know and follow all laws and regulations with regard to sale and or installation of their respective products and/or services within the state the MHEC member resides.
- 12 Either party, MHEC or the Supplier may terminate this contract for convenience, without penalty, upon Sixty (60) days written notice to the other party.

- 13 This Contract is subject to the Prevailing Wage Rates (Where Applicable.) It is the responsibility of the Supplier to quote Prevailing Wages to State Entities and it is the responsibility of both parties to follow Prevailing Wage Guidelines.

Butler Dearden Paper Service Inc, Division of Imperial Dade S

Volume Pricing

MHEC Members who can provide high volume projected annual buy details may have access to deeper discounts from the manufacturer than the base MHEC price shown on the contract. Pricing can further improve if additional categories of product are purchased within a given brand.

Dispensers

Kimberly Clark brand dispensers are included free of charge for newly furnished buildings. To replace damaged units, or add additional units to an existing building, dispensers will be sold at cost +10%.
